E-learning space that will contain learning modules for teachers and educational leaders

The SMILE e-learning space is an accessible online platform supporting the development and implementation of SMILE activities. It is scalable for various devices, provides project and partner information, ensures GDPR compliance through dedicated data protection processes, and adheres to Web Content Accessibility Guidelines (WCAG).

NEWSLETTER 4

Between November and December 2023, SMILE project events included a visit to Engomi A Public Primary School in Cyprus, a training event with pre-service teachers in Meppel, and feedback sessions with international partners from the EcoSTEAM Project, all focused on sustainability, inclusivity, and climate change awareness through STEAM education.
